

Remarks

35 USC §112

The only grounds of rejection raised in the Office Action dated July 7, 2010 against claim 10 was a lack of antecedent basis indefiniteness rejection. Substituting the expression “t-f” by the full term “time-frequency” is believed to overcome this rejection.

35 USC §102

Claims 5-9 rejected under 35 USC 102(b) have been cancelled without prejudice.
